

JUNIOR SCL SITE VISIT

BLACKFRIARS STATION

Dates: 16th and 23rd September 2010 @ 4pm

Blackfriars Station is currently undergoing a major redevelopment, and Junior SCL members are offered the opportunity to visit the station over two dates, thanks to our generous hosts Network Rail and Balfour Beatty Civil Engineering.

The format of the visit will involve an introductory overview of the project, followed by a tour of the new development which extends over the River Thames. After the visit there will be a refreshing drink or two at a local establishment.

Numbers are strictly limited to 15 per visit, so if you are a Junior Member and would like to attend, please email Frances Whitehead (frances.whitehead@scl.org.uk) and let her know (i) your preferred date for the visit; and (ii) your shoe size (for PPE purposes).

With best wishes

Julian Bailey, Richard Bailey and Peter Phillippo
Junior SCL Sub-Committee

**If you are an SCL member, you can become a Junior member without any cost, providing you meet the minimum criteria of Junior membership, ie, you can register as a Junior member if you qualify as being junior within your area of expertise. Registration is easy: Simply log onto the SCL website www.scl.org.uk using your username and password, click 'participate' and then 'junior membership' and follow the instructions. That's all there is to it!*
