will present

21st CENTURY DISPUTE RESOLUTION FOR 21ST CENTURY INFRASTRUCTURE

The role of Dispute Advisory Boards

This presentation discusses the use of Dispute Avoidance Boards on large infrastructure projects overseas and questions whether this approach is the way forward for dispute resolution on 21st Century Infrastructure Projects.

Mark Wheeler is an Engineer and Surveyor with over 25 years' engineering experience within the construction industry, including major civil engineering, building and power projects.

He specialises in providing expert services support, quantum, and technical reports for support in construction dispute resolution. This is achieved by means of litigation, adjudication, arbitration, or mediation. He acts as an expert witness in both technical and quantum disputes, and has cross examination experience.
