## The Society of Construction Law Annual Spring Conference 2019

### **INTRODUCTION**

The Society of Construction Law Conference is an annual industry event developed with Leeds Beckett University, which is attended every year by Construction Lawyers, Surveyors, Claims Consultants, Project Managers and other construction professionals involved in the construction industry.

Some of the leading figures in the industry will provide a helpful review of recent developments in construction law and resolving claims from different perspectives.

Since its foundation in 1983, the Society of Construction Law has worked to promote for the public benefit, education, study and research in the field of construction law and related subjects (including ADR, arbitration and adjudication), both in the UK and overseas. The Society of Construction Law now has over 2800 members from all sectors of the construction industry.
